

# Algonquin Park Moose Photography Safari

June 2-4, 2017

Paddle the northwest corner of Algonquin in search of Moose. Wake up with the sun, canoe through the mist and enjoy magical mornings photographing famed wildlife of Algonquin. Learn all about wildlife photography and enjoy 3 glorious spring days inside the most famous provincial park in Ontario.

We are delighted to have Rob Stimpson lead this wildlife photography workshop. Rob is an award-winning professional photographer, photography instructor and outdoor guide. From paddling Arctic Rivers, trekking in Africa, numerous outdoor adventures in Ontario and other regions of Canada he brings a wealth of knowledge on the natural world to his seminars. Rob has a genuine love of the wilderness and his unique ability to capture the spirit of the land on film is an inspiration to everyone he teaches. These 3 day workshops feature two nights' accommodation (one night in the Algonquin Log cabin and one night camping).

Group size is limited to 12 guests, Rob and a Voyageur Quest canoe guide.

Cost is \$795.00 plus HST per person.
